

7th Conference Course Dutch Society of Neuroradiology 2010 University Medical Center Groningen

Day 1 Thursday April 15 Cranial and Spinal Infections

Registration: 08.30 – 11.00

Chairmen: Professor Berry Kremer and Professor Jan Wilmink

09.15 – 09.30	Opening ceremony
09.30 – 09.55	Patient with fever and neurological deficit: A clinician's viewpoint <i>Dr Sander van Assen, Internal Medicine, UMCG</i>
10.55 – 10.25	Conventional and advanced imaging techniques in the evaluation of CNS Infections <i>Professor Majda Thurnher, Neuroradiologist, Universitätsklinik für Radiodiagnostik, Medizinische Universität Wien, Austria</i>
10.25 – 10.50	Patient with fever and backache: A clinician's point of view <i>Dr Jos Kuylens, Neurosurgeon, UMCG</i>
10.50 – 11.15	Infectious diseases of the spine: Imaging <i>Professor Majda Thurnher, Neuroradiologist, Universitätsklinik für Radiodiagnostik, Medizinische Universität Wien, Austria</i>

11.15 – 11.45 Coffee break

Chairmen: Dr Sander van Assen and Dr Henriette Westerlaan

11.45 – 12.15	Infections of the CNS in immune compromised patients: clinical diagnostics and treatment <i>Professor Peter Portegies, Neurologist, OLVG and AMC, Amsterdam</i>
12.15 – 12.45	Imaging of the CNS in immune compromised patients <i>Dr Charles Majoie, Neuroradiologist, AMC, Amsterdam</i>

12.45 – 14.00 Lunch with half hour of case presentations on screen in the lecture theatre

Chairmen: Dr Lars Rödiger and Dr Maarten Uyttenboogaart

14.00 – 14.25	Meningitis and encephalitis in adults: clinical symptoms and treatment <i>Professor Berry Kremer, Neurologist, UMCG</i>
14.25 – 14.50	Imaging in meningitis and encephalitis in adults <i>Dr Sophia Görlicke, Neuroradiologist, Uniklinikum Essen, Germany</i>
14.50 – 15.15	Intracranial bacterial infections: imaging <i>Dr Luc van den Hauwe, Neuroradiologist, Antwerp University Hospital, Belgium</i>
15.15 – 15.40	Surgical treatment of IC infections <i>Dr Marc van Dijk, Neurosurgeon, UMCG</i>

15.40 – 16.10 Coffee break

Chairmen Dr Luc van der Hauwe and Dr Ton van der Vliet

16.10 – 16.30	Neuroborreliosis: a clinical clown? <i>Professor Kullberg, Internal Medicine, UMCN, Nijmegen</i>
16.30 – 16.50	Neuroborreliosis: Imaging features <i>Dr Linda Jacobi, Neuroradiologist, UMCM, Maastricht</i>

Congenital and pediatric CNS infections: Chairmen Dr Maartje Boon and Prof Oebo Brouwer

16.50 – 17.15	Congenital and pediatric CNS infections: clinical signs and diagnostics <i>Professor A. van Furth, Pediatrician, VU, Amsterdam</i>
17.15 – 17.40	Imaging in congenital and pediatric CNS infections <i>Dr Linda Meiners, Neuroradiologist, UMCG</i>

17.40 – 18.00 Closing

18.00 – 20.00	Shopping in the centre of Groningen (shopping night)
18.30 – 19.45	Creative Workshops at the Aa Church in the centre of Groningen
18.45 – 19.45	Welcome reception at the Aa Church
20.00 – 23.00	Conference dinner at the Aa-church

7th Conference Course Dutch Society of Neuroradiology 2010 University Medical Center Groningen

Day 2 Friday April 16

Cranial and Spinal Inflammations

Registration: 09.00 – 10.30

Vasculitis: Chairmen Dr Stefan Steens and Dr Jan Cees de Groot

09.30 – 10.00	Conventional and advanced imaging techniques in CNS inflammations <i>Dr Rolf Jäger, Lysholm Department of Radiology, The National Hospital For Neurology and Neurosurgery, Queen Square, London, England</i>
10.00 – 10.30	Small, medium and large vessel vasculitis and the CNS: MRI <i>Dr Aad vd Lugt, Neuroradiologist, Erasmus MC, Rotterdam</i>
10.30 – 10.50	Small, medium and large vessel vasculitis: PET <i>Professor Emiel Comans, Nuclear Medicine, VU, Amsterdam</i>
10.50 – 11.15	Intracranial arteriopathies in young stroke <i>Dr Kees Braun, Pediatric Neurologist, UMCU, Utrecht</i>

11.15 – 11.50 Coffee break

Chairmen: Dr Marc Bijl and Professor Frederik Barkhof

11.50 – 12.15	Vasculitis: clinical symptoms <i>Dr Alexandre Voskuyl, Rheumatologist, VU, Amsterdam</i>
12.15 – 12.40	SLE and the CNS: clinical overview <i>Dr Margreet Steup-Beekman, Rheumatologist, LUMC, Leiden</i>
12.40 – 13.05	SLE: imaging <i>Dr Stefan Steens, Fellow Neuroradiology, LUMC, Leiden</i>
13.05 – 14.20	Lunch with half an hour of case presentations on screen in the lecture theatre

Other inflammations of the central nervous system

Chairmen: Dr Rolf Jäger and Dr Margreet Steup-Beekman

14.20 – 14.50	Morbus Behçet, Antiphospholipid syndrome and Susac syndrome: clinical signs <i>Dr M. van Hagen, Immunologist, Erasmus MC</i>
14.50 – 15.20	Morbus Behçet, Antiphospholipid syndrome and Susac syndrome: imaging <i>Dr. Marion Smits, Neuroradiologist, Erasmus MC, Rotterdam</i>
15.20 – 15.45	Imaging in Myelitis transversa: differential diagnosis <i>Dr Geert Lycklama a Nyeholt, Neuroradiologist, MC Haaglanden, Den Haag</i>

15.45 – 16.10 Tea break

Chairmen: Dr Annemarie Fock and Dr Ton van der Vliet

16.10 – 16.35	Postinfectious / postvaccination encephalomyelitis: clinical diagnosis <i>Dr Maartje Boon, Pediatric Neurologist, UMCG</i>
16.35 – 17.00	Imaging: ADEM, MS and NMO <i>Professor Frederik Barkhof, Neuroradiologist, VU, Amsterdam</i>
17.00 – 17.20	Neurosarcoidosis: clinical signs <i>Professor Jan Kuks, Neurologist, UMCG</i>
17.20 – 17.40	Neurosarcoidosis: imaging <i>Dr Linda Meiners, Neuroradiologist, UMCG</i>
17.40 – 17.50	Closing and farewell
